GENERAL TERMS & CONDITIONS MIF EVENTS

1. Scope

These general terms and conditions of business apply for all business relations between the trade fair organizer MIF Events, Slakweidestraat 38f, 3630 Maasmechelen, Belgium (the Organizer) and people or companies attending trade fairs arranged by the Organizer (Exhibitor). No conflicting or contrary general terms and conditions of business are recognized by the Organizer and such shall take no effect unless the Organizer expressly agrees in writing to their (partial) validity. By sending the Registration Form, the Exhibitor and the personnel of the same Exhibitor, attending the trade fair, accept the full content of the present GTC.

Deviating terms and conditions formulated in the Registration Form by the Exhibitors are not valid and are not recognized by the Organizer.

2. Selection Process

Selection of the Exhibitors is at the discretion of the Organizer. No entitlement to participation exists before contract formation.

3. Application Process

The Exhibitor applies by means of the Registration Form that is provided by the Organizer, which is completed truthfully and signed. Receipt of the Registration Form will be confirmed by the Organizer. A legal obligation is not yet created by this.

4. Participation Agreement

a) The Exhibitor's Registration form received represents the offer to participate in the event. The Organizer accepts this offer by sending an Advance Invoice under the condition precedent that the Exhibitor pays the Advance Invoice. The agreement is concluded on receipt of the invoice sum in the account of the Organizer. On request by the Exhibitor, the Organizer will inform the Exhibitor of receipt of the payment.

b) A booking for the first table entitles the Exhibitor for 2 badges. For every additional table, 1 extra badge will be submitted.

c) Subsequent orders for stand equipment, such as furniture, electricity etc., which are received within 14 days before the start of the Fair and after invoicing, will incur late surcharges amounting to 30% of the list prices.

d) All other Changes to the Registration Form such as Name Changes, changes in number of Participants etc. which are received within 14 days before the start of the Fair and after invoicing, will lead to an extra charge of 75 euro per booking.

5. Space Allocation

The Exhibitor becomes entitled to participate in a trade fair of the Organizer only on receipt of the payment. However, the Exhibitor acquires no entitlement to a specific space. The Organizer is solely responsible for the allocation of the spaces and stands at the trade fair. The Organizer is entitled to amend the allocation of a specific space even after assignment if a significant and justified interest exists for the Organizer.

6. Cancellation or Abandonment of the Event

If the trade fair can not take place or has to be abandoned due to Force Majeure (e.g. COVID pandemie or flooding) then the rental fees (no sponsor fees) paid by the exhibitor shall be returned for 60% by the Organizer.

7. Rights and Obligations of the Organizer and Exhibitors

a) The Exhibitor must settle the Organizers Advance Invoice by the specified payment date. In case the Exhibitor settles the invoice by Cash on arrival, a surcharge of 10% will be added to the invoice amount.

b) If the Exhibitor cancels the attendance after invoicing, a cancellation fee must be paid. In case of cancellation up to 2 calendar weeks before the fair, 50% of the invoice amount needs to be paid; for cancellations within the 2 calendar weeks before the beginning of the fair, 100% of the invoice is due.

The Exhibitor has an obligation to occupy the rented area with the range of goods specified in the application. All items displayed and (advertising) materials must be related to this in the context of the trade fair theme. Any material may be distributed to visitors to the fair only on the stand and under no circumstances outside of the stand area. At the end of the trade fair, the Exhibitor must remove any advertisements affixed to the walls of the area and ensure that no trace of such is left. This also applies for symbols that may be mistaken for the originals. It is prohibited to offer coins, that have been modified by some other means than a usual circulation.

In cases for which there is sufficient justification, the Organizer may allow the Exhibitor a different option for closing.
